

WETLAND FIELD DAYS

FREE EVENTS!

Come and get hands-on learning about wetlands in the Slocan Watershed.

- Experience what makes wetlands biologically rich and unique.
- Practice identifying plants and different types of wetlands.
- Discover what wildlife and other organisms live in wetlands.

AUG 8, 2015

SOUTH VALLEY - Time: 9:00 am - 12:00 pm. Meet in Winlaw at Fomi's Bakery. Come learn about wetlands along the Rail Trail. For further details, contact Rhia MacKenzie at zsoist@gmail.com or 250-226-7544.

AUG 12, 2015

NORTH VALLEY - Time: 12:00 - 3:30 pm. Meet in Hills at the Hills Fire & Community Hall #4480 on Highway 6. Learn about wetlands before attending Toadfest at Summit Lake Provincial Park. This event is co-sponsored by Slocan Lake Stewardship Society. For further details, contact Marcy Mahr at marcy@netidea.com or 250-358-2669.

What to bring:

Shoes for walking that can get wet, appropriate clothing, notebook & pencil, water and snacks. Bring a lunch if you are attending the north valley program in Hills.

Pre-registration for either of these programs is recommended but not required.
